

# VOLVO PORTABLE NAVIGATION

Slim, sleek, totally unique: it's the portable navigation system that you'd expect from Volvo. No unsightly trailing wires, no leafing through manuals to get started, no struggling to fit it in your pocket when you're on foot. The Garmin Nüvi 760 portable GPS navigator has been designed to fit beautifully with your Volvo – and fit perfectly into your life. It's the state-of-the-art wide screen navigator that Volvo drivers have been waiting for.

The navigator is easy to fit and remove – and small enough to slip into your pocket when you're on foot.

**Heading for an unfamiliar, crowded place?** The navigator even remembers where you've parked, automatically marking your position when you remove the navigator from its holder.

## DESIGNED FOR YOU. FITTED BY VOLVO

Your new portable navigator comes loaded with more than you could ever imagine. Detailed European maps. City Navigator® NT streets maps with millions of points of interest such as hotels, restaurants, fuel stations, ATMs and even Volvo dealerships. Bluetooth® technology with built-in microphone and speaker. MP3 player. Anti-theft lock. Currency converter. FM transmitter – so the instructions can come through your Volvo's audio system. It even comes with a 3-year warranty\*. And because it is fitted by a qualified Volvo technician, the system is fully functioning and easy to use as soon as you drive away. No messy wires, no ugly stands, just a neat, stylish foldable holder for your portable navigator.

A super-bright touch screen with voice guidance makes planning your route and navigating as safe and easy as possible. The system announces the names of exits and streets so you never have to take your eyes off the road.

A USB cable is included for easy updates from your own computer – such as new points of interest, maps, travel guides and other information from the internet.

Pre-loaded Volvo data makes it easy to find your nearest Volvo dealer, giving you even more reassurance when you're on the move.

\* For a 3-year warranty to apply, an accessory must be fitted to a new Volvo or within 1 month of purchase or the first 1,000 miles. Otherwise a standard 1-year warranty will apply.
